CALIFORNIA DIRECTORY OF NURSERYMEN.

List of Nurserymen registered with the State Commission of Horticulture under Section 2319i of the Political Code, State of California.

G. H. HECKE.
Commissioner.

JULY 1, 1917, TO JUNE 30, 1918

2319i. Any nurseryman, agent, jobber, person, firm or organization operating in the State of California, who ships, sells or handles nursery stock, trees, plants, shrubs or vines which are for planting or propagation purposes within the borders of this state, shall register with the state commissioner of horticulture and shall pay the same one dollar for such registration for a period of one year. The state commissioner of horticulture shall issue to each applicant a special license number, and all shipments by such licensee shall have his license number affixed to the package of nursery stock, trees, plants, shrubs or vines for planting or propagation purposes; *provided, however*, that an agent or agents acting as salesman for a nurseryman, jobber, person, firm or organization shall not be granted a license number but shall be required to use the license number assigned the nurseryman, jobber, person, firm or organization by whom such agent or agents are employed.

Directory of Nurserymen of Other States Who Have Received Permits to Sell Nursery Stock in California.

List of Nurserymen licensed to ship nursery stock into the State of California.
By order of the State Commissioner of Horticulture.

G. H. HECKE.
Commissioner.

2319j. Any nurseryman, jobber, person, firm or organization doing business without the State of California who desires to ship nursery stock, trees, plants, vines, or shrubs into this state for planting or propagation purposes from any other state, territory or district of the United States, shall first make application to the state commissioner of horticulture for a permit to so do, filing with the application a statement of the location of the nursery, or place of business owned or operated by him or them, and an official certificate of inspection of such premises signed by the state inspector of the state in which said premises are located. Permits herein provided shall be issued by the state commissioner of horticulture upon request and without making any charge therefor whenever in his judgment such permits may be issued without endangering the horticultural interests of this state. Such permits shall bear a special number, and all shipments thereafter made by any nurseryman, jobber, person, firm or organization into the State of California must contain this number affixed to the package of nursery stock, trees, plants, vines or shrubs shipped by him.
